PORT S details

Top loading carrying case

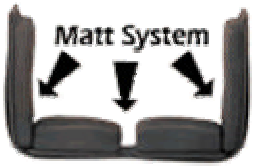
Traditional finish
Traditional and elegant finish with rivets and stitching to ensure maximum protection

Two security straps
Double protection, two inner security straps to secure the notebook in the compartment

"Clip buckle"
A revolutionary new handling system that allows the carry case to balance during transportation

Metallic protection feet

The MATT-SYSTEM®
Patented protection system with absorbing shocks. It uses several layers of varying density foam to reduce the external shocks waves



New zip Puller
A new generation of ergonomic zip puller in matt aluminium
